## **AMENDED TREASURY AUCTION RESULTS STATISTICS**

The Treasury Auction Results statistics on the press release dated January 26, 2009, announcing the results of the 91-day bill auction, are amended. The original press release understated the amounts of competitive bids from direct bidders tendered and accepted. The correct amount of competitive bids tendered by direct bidders was \$370,000,000, and the correct amount of competitive bids accepted from direct bidders was \$225,000,000.

The auction results, and all other statistics in the original press release, including the total competitive amounts tendered and accepted, are unchanged.
